Civil Action No. 08-6609

**PLAINTIFF SECURITIES AND EXCHANGE COMMISSION’S APPLICATION
FOR EXTENSION OF TEMPORARY ORDER FREEZING ASSETS
AND GRANTING OTHER RELIEF**

Plaintiff, the Securities and Exchange Commission (the “Commission”), respectfully requests that the Court grant a ten-day extension, until August 15, 2008, of the temporary restraining order (“TRO”) issued on July 25, 2008. The Commission seeks to extend the TRO instead of moving for a preliminary injunction, and requests that this application be heard on or before August 5, 2008, *in lieu* of the show cause hearing scheduled for 10:00 a.m. on that date.

In support of this application, the Commission has filed the Declaration of Kevin Guerrero and attachments thereto; the Declaration of Alberto A. Arevalo; a Memorandum of Points and Authorities; and a proposed Order.
